

## CORONAVIRUS/COVID-19 STATEMENT FROM THE GUSTINE FAMILY AND STAFF

To our valued customers:

We wish everyone good health in these difficult times. Due to the coronavirus pandemic, Nelson's Family Campground will be opening on 5/1/2020 this season. In appreciation of your patience, we will close on 10/25/2020 instead of 10/12/2020 to accommodate the late opening. Any reservations with a check in prior to 5/1/2020 will be contacted by our office to coordinate updating your reservation. Our spring deal customers will be able to shift their reservations with several choices. We will discuss options with each customer individually.

Under the Governor's Directive of "stay home, stay safe" we will be coordinating all of our reservation changes either electronically or by telephone. Feel free to contact us at: phone- 860-267-5300, email: [nelsonsfamilycampground@msn.com](mailto:nelsonsfamilycampground@msn.com) or [message us on Facebook](#), and speak to Erin or Michele. We continue to educate ourselves and staff on the best practices to serve you this year. We cannot wait for the camping season so we can accomplish "families make memories" together.

Be Well,

Glenn, Bruce, Michele, Erin and Staff
